In order to sustain the excellence of our award-winning music program, we rely on the generous support of local businesses like yours. **I invite you to partner with the Leander Band Boosters (LBB) by becoming one of our valued sponsors.** The LBB is a 501(c)(3) nonprofit organization dedicated to providing both volunteer and financial support to the Leander High School Band. While the program receives partial funding from the Leander Independent School District and student fees, additional charitable contributions are essential. These gifts help bridge the funding gap and support the additional costs of competing at the state and national levels. Your sponsorship will have a direct impact on the success and experience of our talented students, and we would be honored to recognize your support.

We hope you will thoughtfully consider making a tax-deductible donation and becoming one of our valued sponsors. Details about our tiered sponsorship levels are included in this letter. To become a corporate sponsor, please complete the attached form and mail your payment to the Leander Band Boosters at the PO Box listed. If you have any questions or would like more information about sponsorship opportunities, please contact Mandi Chun at LeanderBandFundraising@gmail.com.

We sincerely thank you for your support of music education at Leander High School and in our community. We look forward to partnering with you!

With gratitude and sincere thanks,

Mandi Chun, Fundraising Chair
